GEOGRAPHY  
HISTORY  
ENTERTAINMENT

In our home market of Atlantic City, NJ, Quizzo has been a community staple for over 20 years, drawing a steady crowd week after week. Based on historical success in larger venues, Quizzo expects 8-15 teams in the first 8-12 weeks, with numbers rising to 12-20 teams weekly on average. Our national success speaks to the lasting appeal and reliable performance of Quizzo as an entertainment offering. At Quizzo, we're more than a trivia company—we're a promotions and marketing partner. Our goal is to cultivate teams of loyal patrons who will spend more time and money in your venue.

## SIMPLE, FLEXIBLE PRICING

Quizzo offers a straightforward pricing structure: \$200 per game, with potential discounts for new venues and chains. You provide the prize, usually a \$25 to \$50 house gift card, and there's no need for extra equipment or hidden fees. To ensure top-quality service, Quizzo hires and trains a local MC for each venue, handling every aspect of the game so your staff can focus on what they do best. There are NO long-term contracts. We recommend a 4-6 month trial to evaluate the game's impact, and we offer flexible scheduling with 48-hour notice for cancellations.

## MARKETING STRATEGY

- 1. Local Hosts, Handpicked and Trained:** We carefully select and train a local host for each venue to ensure high engagement, consistent promotion, and a fun atmosphere. This minimizes your staff's responsibilities while maximizing the game's impact.
  - 2. Online and Social Media Presence:** Quizzo provides each venue with a custom web page featuring Google Maps integration, links to your venue's official site, and a unique game page where players can track scores. We also provide the materials to help promote each game on social media, reaching a broader audience and generating excitement. Visit <http://directory.thelivenetwork.com> to see our active venues.
  - 3. Point-of-Sale Marketing Support:** We supply each venue with high-quality, branded POS materials, including color posters and other marketing graphics, ensuring patrons know when and where to play.
- Let's Build a Lasting Partnership! Contact us at 888-682-7849 or [info@quizzotrivia.com](mailto:info@quizzotrivia.com) to bring Quizzo to your venue and transform your weeknight crowd.***

Boost attendance and drive customer loyalty with Quizzo Team Trivia, a high-energy, live trivia competition designed to fill your venue on slower weeknights. Perfect for bars and restaurants, Quizzo brings together teams for two and a half hours of fun, competition, and engagement.

## HOW IT WORKS

Quizzo is a unique trivia experience that encourages regulars and newcomers alike to form teams, bringing friends and family together to compete for prizes. Since 2000, Quizzo has been a leading choice for trivia nights, hosting events in over 250 venues across more than two dozen states. Think of Quizzo like a bowling league or karaoke night: it's a social event that builds a loyal following while drawing a steady crowd week after week.

## WHO PLAYS QUIZZO?

Each week, Quizzo attracts diverse groups ranging from 30-50 players in smaller venues to over 150 in larger spaces. Players are typically well-educated, competitive, and ready to spend, with the average attendee spending \$20-\$30 over the course of the game. Many Quizzo players become devoted patrons, visiting the venue on non-Quizzo nights and often participating in other games we offer, like Tune Trivia or Bar Bingo.

Teams usually start with 2-4 players and expand over time, as players recruit friends to increase their chances of winning. Once players get hooked, Quizzo becomes a weekly ritual they rarely miss.
