HOW IT WORKS

Quizzo encourages regulars and newcomers alike to form teams, bringing friends and family together to compete for prizes. Think of it like a bowling league or karaoke night: a social ritual that builds a loyal following and draws a steady crowd week after week.

We hire and train a **local MC for your venue** who runs every aspect of the game — your staff stays focused on food and drinks. Your host is also your in-house announcer: specials, events, whatever you want a captive room to hear.

WHO PLAYS QUIZZO

Each week Quizzo draws 30–50 players in smaller venues and 150+ in larger spaces — well-educated, competitive, and ready to spend, averaging **\$20–\$30 per person** over the game.

- Teams start at 2–4 players and grow to 8–10 as they recruit friends to win.
- Once hooked, teams rarely miss a week — and they visit on non-trivia nights too.
- Expect **8–15 teams** in the first 8–12 weeks, growing to **12–20 weekly**.
